O God of all creation, hear our plea as we come humbly before you. We are living in a most difficult time in our nation and state. Some of our finest young men and women have gone into "harm's way". We ask for you to watch over all the allied troops as they battle for freedom for an oppressed people. Be with their families and loved ones as they fear for the welfare of their armed forces personnel. Bring comfort and peace to their minds and hearts.

We ask for your guidance for the men and women of this legislature. Guide them as they make the decisions that will affect the lives of the people of Texas. May their decisions be wise and just in your eyes. Give them clarity of thought, compassion of heart, and the courage to do what is right no matter the cost politically.

Thank you for your gracious blessings that you have given to Texas and the United States. Amen.
